In consideration of the granting of this permit, the undersigned agrees:

- 1. To accept and abide by all provisions of the Village of Red Creek codes governing water use and supply and all other ordinances or regulations that may be adopted in the future.
- 2. To maintain any water equipment for the property after the curb box at no expense to the Village of Red Creek.
  - a. Meters found to be defective due to mechanical fault or normal wear will be replaced at the cost of the Village of Red Creek.
  - b. Meters found to be tampered with or altered will be replaced at the homeowners expense.
- 3. To notify the Village of Red Creek water Superintendent when the residential water is ready for inspection and connection to the public sewer (if applicable), but before any portion of the work is connected or covered.
- 4. To pay any related water service connection fees. Standard hook up fee is \$\_\_\_\_\_. Charges over this amount will be determined on a case by case basis.
- 5. To pay water rent(s) as billed on a quarterly basis as outlined in the Village of Red Creek Water Rules & Regulations.
